Dear Friend of Life,

The Pro Life Legal Defense Fund (PLLDF) is excited about the upcoming 2017 Century Dinner. This year, there will be a separate and free educational presentation preceding the dinner. Both events will take place at the Boston Marriott Newton on Friday, April 28th. We hope you will join us for one or both of these events.

For the first time, PLLDF will present its prestigious Thomas More Award to co-recipients: Attorneys Nicholas Nikas and Dorinda Bordlee, co-founders of the Bioethics Defense Fund (BDF). This public-interest law firm has an international reputation of advocacy for the protection of human life via strategic legislation, litigation and education on the issues of: Human Cloning, Embryonic Stem Cell Research, Women's Health, Euthanasia, Assisted Suicide, Healthcare Rationing, and Healthcare Rights of Conscience.

The BDF educational presentation, similar to one which was very well-received last fall at Harvard Law School, will take place from 5:30 – 6:30 PM. Attendance at the dinner is not a prerequisite for admittance to the presentation. However, because space is limited, pre-registration on the enclosed reply card is advised.

You can help PLLDF develop a larger network of volunteer pro-life advocates, both attorneys and law students, by attending either or both of these events.

If you cannot join us for the dinner, perhaps you will consider sponsoring law student attendance. A single sponsorship is \$125.00, and a table sponsorship is \$1,000.00. Any donation will help PLLDF defend vulnerable human life.

Thank you so much.

Very truly yours,

Bob Joyce
