

FREE GOSNELL MOVIE SCREENING

and meet-and-greet with producers

Thursday, November 10th | Devlin Hall, Boston College

Meet and Greet: 6 p.m. | Movie Showing: 7 p.m.

GOSNELL is a feature film about America's most prolific serial killer and the fight to bring him to justice. This film shows how the political establishment knew of his activities but allowed Gosnell (now serving three life sentences) to keep killing because they did not want to shine a negative spotlight on abortion.
